
imaginepools™

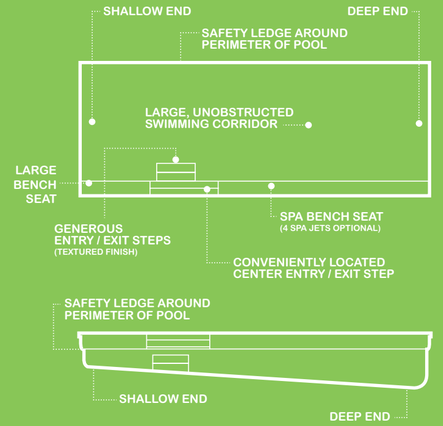
let your imagination run wild...

Imagine stepping outside into your own piece of paradise, entertaining friends, family and making years of lasting memories without ever having to leave your home. Imagine Pools is the company to make your backyard dream a reality.

As a child, you would dream of running, playing and splashing. These are the memories that you will look back on with the greatest of fondness.

As an adult, you might imagine a quiet oasis where the sun sparkles against the soft, rippling waves, and serene sounds of cascading water lull you into a world of tranquility and stillness. You will forge your own Eden – a world of bliss and contentment – a place for you to relax and unwind from the day.

With an Imagine Pool, the possibilities are endless, so let your imagination run wild...



- Features a wide bench seat running the entire length of the pool
- Large, unobstructed swimming corridor, ideal for playing games or swimming laps
- Well-positioned entry and exit steps lead down to the pool floor
- Sleek, modern design allows for unlimited landscaping possibilities
- Safety ledge surrounding perimeter of pool

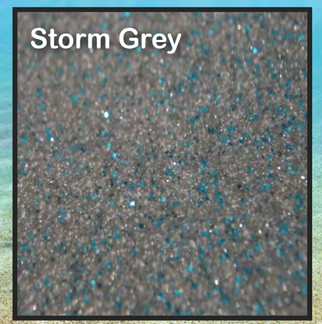
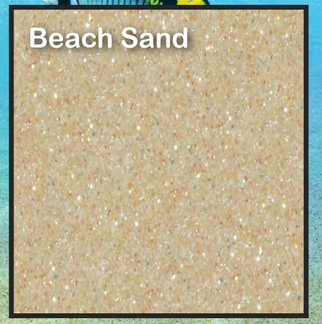
New Environmental Technology

Imagine Pools Color Range has also been designed with dramatically reduced VOC (Volatile Organic Compounds) emissions, providing up to 50% less VOC emissions than standard gelcoats making it better for the environment over traditional gelcoats used in composite fiberglass swimming pools.





If you're looking for something a little bit special - then this is the color range for you!

Each of these colors include a built-in sparkle and shimmer effect showing off an added brilliance and shine. In different lights your pool will look like it has millions of diamonds scattered over the pool surface.

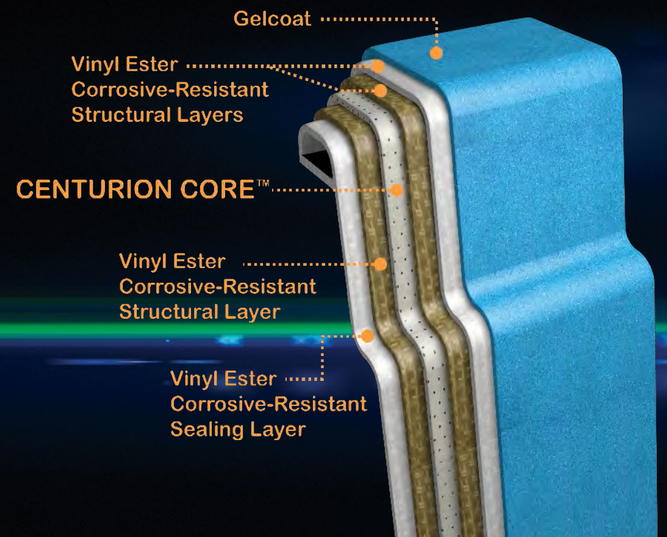
Imagine Pools' incorporates only the highest-grade raw materials into its gelcoat. As a result, Imagine Pools is able to offer you a 10-Year Surface Warranty on the gelcoat of your new Imagine Pools swimming pool.

So, not only is the Imagine Color Range absolutely stunning, it also provides homeowners peace-of-mind, so they are able to relax and enjoy their pool for many years to come.

CENTURION CORE™

An Imagine Pool is more than a swimming pool – it is a swimming pool of unique and sophisticated design, technology and technique. It is an unwavering dedication to quality and innovation. It's the belief that happiness is best enjoyed with loved ones at your side enjoying an Imagine Pool in your home.

A swimming pool is an excellent investment, adding value to your property and offering years of enjoyment for the entire family. It is important that you purchase a swimming pool that will provide years of trouble-free ownership. At Imagine Pools, we are focused on building a quality swimming pool to provide you with years of superior performance.



Each Imagine Pool is available in either our Standard Construction or our most recent advancement the Centurion Core Construction.

The Centurion Core Construction utilizes the best in resin technology through building all of the structural layers with full vinyl ester resin. Vinyl ester resin is a high performance resin providing improvements in strength, durability and water resistance.

Combining vinyl ester resin with our unique core construction process provides a swimming pool with improved structural strength and corrosion-resistant properties.

Imagine Pools are available in either our Standard Construction or our Centurion Core Construction. The warranties for both constructions are:

Standard Construction

- 10-Year Surface Warranty
- 20-Year Structural Warranty

Centurion Core™ Construction

- 10-Year Surface Warranty
- Lifetime Structural Warranty
- Lifetime Structural Osmosis Warranty

"Our Centurion Core™ provides you with complete peace of mind knowing you have the protection of a Lifetime Warranty"
